Good morning,

I understand from a CDDO blog post published in May 2024 (under the previous Government) that the Cabinet Office has launched a data strategy called 'Better Data for a Better Cabinet Office':

<https://cddo.blog.gov.uk/2024/05/08/transforming-for-a-digital-future-latest-update>

As far as I can see, the data strategy has not been made public.

Please provide me with a copy of the Cabinet Office's data strategy, along with any annexes or appendices.

Thank you for your attention to this information request.

Best regards,

Owen Boswarva
